TECHNICAL SKILLS

- SolidWorks / CAD (learning)
- MATLAB (course in progress)
- Microsoft Excel
- Basic Arduino / electronics exposure

PROFESSIONAL SKILLS

- Leadership and teamwork
- Communication
- Safety awareness
- Customer service
- Adaptability
- Problem-solving
- Responsibility under pressure
- Logistics coordination

LANGUAGES

- Arabic - Native
- English - Fluent
- French - DELF B2

CERTIFICATES & AWARDS

- Lifeguard Certification
- DELF B2 French Proficiency
- Math Competition Award

PROFESSIONAL SUMMARY

Mechanical Engineering student at Notre Dame University - Louaize with a strong technical foundation in SolidWorks, MATLAB, Microsoft Excel, and basic Arduino/electronics. Versatile and disciplined, with experience in safety, instruction, operations, events, and customer service. Fluent in Arabic, English, and French, with a clear long-term interest in automotive engineering.

EDUCATION

Notre Dame University - Louaize (NDU)
Bachelor of Science in Mechanical Engineering
Expected Graduation: 2030 | Current GPA: 3.0

PROFESSIONAL EXPERIENCE

- Lifeguard - Jeita Country Club** June 2024 - Present
- Monitored pool areas and ensured swimmer safety.
 - Provided first aid and emergency response when necessary.
 - Maintained safety standards and cleanliness in facilities.
- Junior Ski Instructor** Seasonal
- Assisted beginner skiers in developing fundamental skiing techniques.
 - Ensured safety during lessons and guided participants on slopes.
 - Promoted teamwork, discipline, and confidence among students.
- Runner - ODIN Events** Summer 2024
- Coordinated logistics and deliveries between teams during events.
 - Communicated information efficiently between departments.
 - Adapted quickly to last-minute requests in fast-paced environments.
- Photography Assistant - The Raw Studio** Aug 2023 - Sept 2023
- Assisted with lighting setup and camera equipment preparation.
 - Helped organize digital files and supported post-production editing.
 - Contributed to the smooth execution of photo shoots.
- Kiosk Manager - Crepe Factory** June 2023 - Aug 2023
- Managed daily operations and supervised staff.
 - Handled customer service and order management.
 - Maintained inventory and ensured efficient workflow.

LEADERSHIP & ACTIVITIES

- Boy Scouts of Lebanon - Member for 10 years**
- Developed leadership, teamwork, and outdoor survival skills.
 - Participated in community service and group expeditions.

CAREER OBJECTIVE

To build a career in automotive engineering by combining mechanical engineering knowledge, technical tools, disciplined work habits, teamwork, and practical problem-solving.
